

SimplyBiz: Update your profile – Competition

Terms and conditions

1 Promoter

The promoter of the competition is Nedbank Limited (**we, our, us**).

2 Competition period

- 2.1 The competition starts on 5 March 2021 and ends at midnight on 19 March 2021 (**competition period**).
- 2.2 SimplyBiz will contact the prizewinners by email at the address registered with SimplyBiz.
- 2.3 SimplyBiz will announce the prizewinners and prizes on social media.
- 2.4 SimplyBiz may feature all comments and advertisements on social media pages or through any digital or print advertising at the sole discretion of the SimplyBiz team to promote the competition and winners.

3 Who may enter the competition?

- 3.1 This competition is aimed at all small-business owners.
- 3.2 You must:
 - 3.2.1 be 18 years or older;
 - 3.2.2 live in South Africa;
 - 3.2.3 be a registered member of SimplyBiz; and
 - 3.2.4 be a duly mandated and authorised representative of the small business.
- 3.3 The following persons, although meeting the criteria above, may not enter the competition:
 - 3.3.1 Our directors, members and employees or their spouses, life partners or immediate family, including adopted persons but not half- or step-relations); and
 - 3.3.2 our suppliers and contractors involved in this competition.

4 The competition

- 4.1 Eight Small-business owners stand a chance to win one of eight inverters from Iser Expert to the value of approximately R10 000 each by doing the following:
 - 4.1.1 Logging in on SimplyBiz.
 - 4.1.2 Creating or updating their business profile in the dashboard.
 - 4.1.3 Creating and publishing an ad for their business in the SimplyBiz directory.

5 The prizes

- 5.1 Eight, Iser (Pty) Limited, Invest Solar Power Inverter/UPS', model reference STROL-ICS-2B-16, valued at approximately R10 000 each. Specifications of the STROL-ICS-2B-16 as noted in the addendum A
- 5.2 The first ten completed directory ads will also be featured in the
- 5.3 SimplyBiz Magazine, on the SimplyBiz website and on the SimplyBiz social media pages.

6 Selection of prizewinners

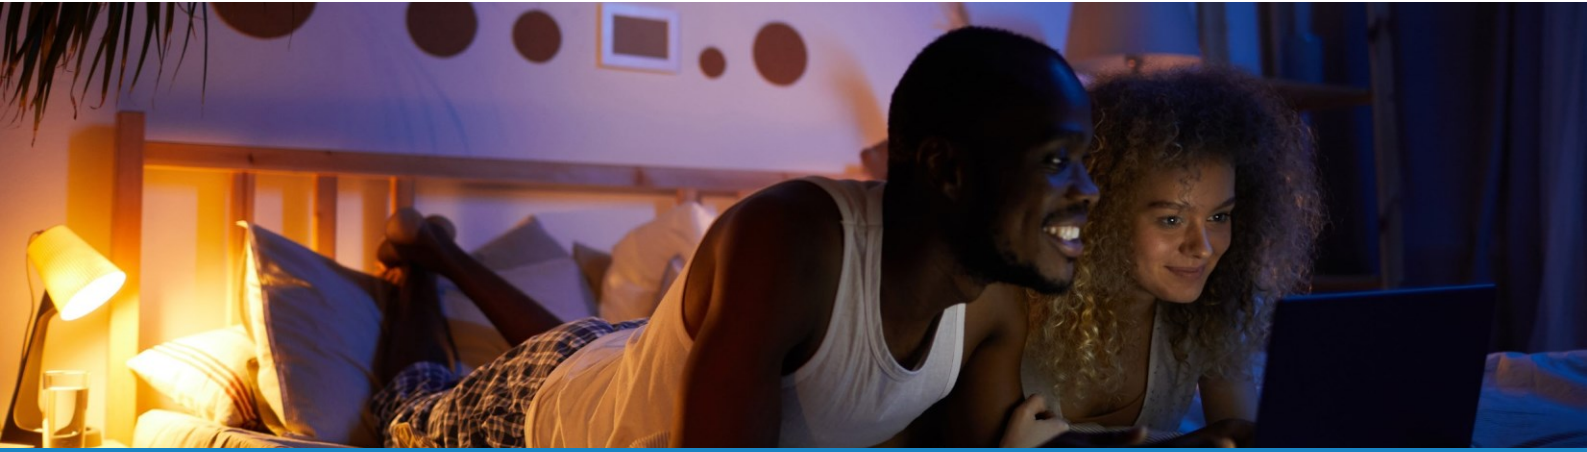

- 6.1 The selection of the prize winners will take place by electronic draw and final selection will be at our sole discretion based on the entries received.
- 6.2 The selection will take place on 24 March 2021.
- 6.3 All completed entries received during the competition period and that meet the competition requirements will be eligible for entry in the selection.
- 6.4 If there is a dispute, our decision will be final and binding on all aspects of the competition and we will not enter into any correspondence.
- 6.5 The prize is not transferable and if not taken up for any reason, it will be subject to a separate selection and allocated in terms of this competition to another prizewinner at our sole discretion.
- 6.6 All other costs or expenses relating to the prize that have not been mentioned in these terms and conditions are excluded from the prize and are not recoverable.
- 6.7 If we cannot contact the prizewinner within five working days following the draw [are we supposed to use “draw” or “selection”?], the prizewinner will be deemed to have forfeited the prize and we will select a new prizewinner, subject to the same conditions.
- 6.8 If the prizewinner rejects their prize, they will give it up and a new prizewinner will be selected, subject to the same conditions.
- 6.9 We will not be held responsible for any delays in the delivery of the prize. We will also not be responsible for any additional conditions that third parties impose.
- 6.10 The prize will under no circumstances be given to a third party and will be given directly to the verified prizewinner only.
- 6.11 We will not be liable for delays or failure to deliver any part of the prize resulting from acts beyond our reasonable control. Such acts include acts of God, strikes, lockouts, riots, acts of war, civil disorder, rebellions or revolutions in any country, epidemics, acts of terrorism, vandalism or sabotage, governmental regulations imposed after the fact, communication line failures, power and telecommunications failures, earthquakes, fire, floods or other disasters. We will notify the prizewinner as soon as reasonably possible if the prize is affected in this manner.
- 6.12 We reserve the right to replace the prize at any time with another prize of similar commercial value.
- 6.13 For audit purposes, the prizewinner will have to complete a confirmation form. This completed and signed form will act as proof that the prizewinner is the correct recipient of the prize and all deliveries of the prize will be made on this basis (emails, courier slips, etc).

7 General

- 7.1 All information about this competition and published on any promotional material is part of the competition rules.
- 7.2 We, our associated companies, our agents, contractors and sponsors will not be liable for any direct or indirect loss or damage resulting from your participation in the competition or for any loss or damage.
- 7.3 By entering this competition, the prizewinner (at no fee) consents to endorsing, promoting and/or advertising any service of ours.
- 7.4 These terms and conditions are available on the SimplyBiz website.
- 7.5 By entering this competition, you agree to be bound by these terms and conditions and the terms and conditions of SimplyBiz.
- 7.6 We are not liable for any accident, injury, harm, death, damages, costs and/or loss sustained by the prizewinner and/or any other person who participates in the competition, at any point.

POWER INVERTER/UPS SYSTEM WITH BUILT-IN SOLAR CAPABILITY - 1600W, 24V

PRODUCT CODE - STROL-ICS-2B-16
 BARCODE - 0781159617133

Overview

The Invest Solar Power Inverter/UPS is an electronic product designed and built to take low DC (Direct Current) voltage power from batteries, with the option of solar too, and convert it to standard AC (Alternating Current) power.

Features and Benefits

- Provides backup power in the event of power outages.
- Automatically transfers to battery power when needed.
- Electronics remain on when switching over to batteries.
- AGM solar batteries.
- Built-in solar charger.
- Can be used off grid (with no mains connection).
- Intelligent battery charger.
- Unit is on wheels for easy moving.
- Multiple protections, such as:
 - Notifications for low battery and overload.
 - Low-battery disconnect function.

Packaging Contents

- 1x 1600W/2000VA Power inverter with built-in solar capability.
- 2 x 12V/AGM maintenance free batteries.
- 1x Steel movable trolley on wheels.
- 1x User manual.

Weight and Dimensions

- Width - 445mm
- Height - 587mm
- Depth - 480mm
- Weight - 68.5 kg

Runtime

Fridge = 110w

Laptop = 45w

40" Tv = 31w

Cellphone charger = 6w

Decoder = 30w

This will give you 4,5 hours of battery time.

STROL-ICS-2B-16	Power Inverter/UPS System with built-in Solar Capability - 1600W, 24V
Output Power	2000VA/1600W
AC Output	230V AC
Output Waveform	Modified Sine Wave
Battery Voltage Nominal	24V DC
Operating Temperature	0 – 50°C
Transfer time	Typical 15 – 20ms, 40ms max
Maximum Solar Input Power	1500W
Protection	Low battery alarm, low battery shutdown, overcharge, overload, over-temperature, short-circuit

Warranty

1 year warranty for the inverter and movable trolley.

Usage and Cautions

- Leave plugged in and switched on at the mains continuously to ensure the batteries are full for use.
- Batteries may expel explosive gases, which can be ignited by sparks from electrical connections.
- Indoor use only.
- DO NOT:
 - Turn upside down.
 - Obstruct ventilation openings.

NB! NO element based product can be used on our inverters as elements are very heavy energy consumers and will blow the inverter and drain the batteries.
